## SPECIAL AGREEMENT CHECKS (SAC)

This form can be used to request a number of DCSA's National Agency Checks as Special Agreement Checks (SAC), case type 92. Authorized agency officials, not subjects of investigation, should complete items 1-16, as applicable and the required information for each SAC code requested. Submit this form and any attachments through the NP2 portal to: "(S) e-QIP Attachments (NTC)" or if required to be mailed:

DCSA-FIPC PO Box 618 Boyers, PA 16018

For deliveries requiring a street address use: 1137 Branchton Road Boyers, PA 16018

The requesting agency is expected to have on file, or know that DCSA has on file from a prior investigation, a valid signed release for the individual in which the SAC product is being requested. Please note: By submitting an investigative request using the OFI 86C, the agency is acknowledging that the fees associated with the SAC request have been approved by the agency.

Due to Paperwork Reduction Act (PRA) guidance, contractors are not permitted to respond to this collection at this time.

## PRIVACY ACT STATEMENT

This investigative request is in full compliance with the Privacy Act of 1974 and other laws protecting the civil rights of the individual we are investigating. The information provided will be retained by the Defense Counterintelligence and Security Agency (DCSA) and may be disclosed to the individual being investigated or other federal agencies.

**AUTHORITY:** DCSA is authorized to collect this information based on section 925 of Public Law 115-91; 5 U.S. Code 301; Executive Order 13467, as amended by Executive Order 13869; and, 5 Code of Federal Regulations 736.

**PRINCIPAL PURPOSE:** To obtain records for investigating and determining an individual's initial or continued eligibility for access to classified national security information or assignment to positions with sensitive duties, suitability for enlistment or appointment into military service, suitability for federal employment, fitness for assignment to work under contract for or on behalf of the government, or eligibility for physical or logical access to U.S. Government systems or facilities. DCSA may also conduct other background investigations as authorized by law, designation, rule, regulation, or Executive Order.

**ROUTINE USES:** The information collected may be disclosed to DCSA personnel and shared externally with other authorized government agency personnel as a routine use when necessary and relevant to personnel vetting investigations, determinations, and adjudications; and, for other purposes permitted under subsection (b) of the Privacy Act of 1974, as amended (5 USC §552a). A complete list of the routine uses can be found in the system of records notice for the Department of Defense Personnel Vetting Records System DUSDI 02-DoD at: https://www.federalregister.gov/documents/2018/10/17/2018-22508/privacy-act-of-1974-system-of-records.

**DISCLOSURE:** Disclosure is voluntary. However, failure to provide DCSA the requested information may result in our agency's inability to conduct a thorough investigation and may prevent the government from making a determination regarding the qualifications, suitability, eligibility or fitness of the individual being investigated. The information collected will be used to conduct investigative work and may be furnished to other government agencies as warranted, and to the individual investigated upon his or her request unless otherwise exempt.

**CERTIFICATION:** The requesting agency certifies the individual we are investigating has given written consent for this investigative inquiry. The requesting agency is expected to have on file, or know that DCSA has on file from a prior investigation, a valid signed release for the individual in which the SAC product is being requested.
